god, it has been forever since we talked!

I have another really good "online friend" who I had been wanting to share Emma's pics with but I had promised you I wouldn't show them to anyone without your consent...then you posted the website, so i just pointed him to it...he agrees with me that she is sooooo cute and sooooo sexy!

← 26-07-1999 2:03:59 PM (loltot - 14481005)

did you post the album yet?

→ 26-07-1999 2:04:34 PM (loltot - 14481005)

→ 26-07-1999 2:08:13 PM (loltot - 14481005)

she is getting long little legs

← 26-07-1999 2:09:16 PM (loltot - 14481005)

so are most people that "reply" to you from the website or the newsgroups normal "family" types telling you how cute your kids are, or are they pedo;s like me?

→ 26-07-1999 2:10:04 PM (loltot - 14481005)

a mix I think  
not many people reply

← 26-07-1999 2:12:17 PM (loltot - 14481005)

the weird thing is she looks younger in the pics that I didn't already have...even the new ones...(believe me, I am not complaining, she is still my favorite fantasy girl!)

→ 26-07-1999 2:13:01 PM (loltot - 14481005)

this weekend

→ 26-07-1999 2:14:33 PM (loltot - 14481005)

well i will always be doing more and of course i will keep you well supplied

← 26-07-1999 2:14:55 PM (loltot - 14481005)

← 26-07-1999 2:15:19 PM (loltot - 14481005)

thats true, we will have to work on more

most times in fact

← 17-08-1999 1:00:54 PM (loltot - 14481005)

yes, you are right, i have tried to chat on netmeeting a few times, and the audio is usually horrible!

speaking of netmeeting, did you ever figure out the new version, if not, i can walk you through it

← 17-08-1999 1:06:05 PM (loltot - 14481005)

sorry, i stay away from the "bad" ones....the stories we read, the pics i do send, all are legal....it's when you get into the illegal pics that you start to ask for trouble.

→ 17-08-1999 1:06:23 PM (loltot - 14481005)

true

→ 17-08-1999 1:07:25 PM (loltot - 14481005)

any good stories also?

← 17-08-1999 1:07:54 PM (loltot - 14481005)

and believe me, i want to see them BAADDD, but the thought of public humiliation in front of my friends and family, and even worse, the thought of what they do to pedos in jail, are enough deterrent for me to stick with the legal stuff

BTW, I e-mailed Paul Jones and asked him for more swimsuit pics of Rachael. He responded and said he is now only shooting fall pictures, no more swimsuits till next year...bummer.

I also e-mailed the guy who posted the pics of Mandi you like so much, but I havent heard back from him yet.

17-08-1999 1:25:30 PM (loltot - 14481005)

Paul Jones is now selling a CDRom with all the pics of the girls, and some video clips too

17-08-1999 1:25:46 PM (loltot - 14481005)

I have been talking to Lloyd Emmerson

17-08-1999 1:26:05 PM (loltot - 14481005)

Ild love to see that

17-08-1999 1:26:33 PM (loltot - 14481005)

I promised him some pics, he is going to send me some

17-08-1999 1:26:56 PM (loltot - 14481005)

oh yeah, i emailed lloyd emerson too, got a pretty generic response from him...what has your correspondence been like with

17-08-1999 1:27:34 PM (loltot - 14481005)

good , he actually contacted me first. In regard to the photopoint pics of Emma

17-08-1999 1:27:51 PM (loltot - 14481005)

I will keep you well informed

← 17-08-1999 1:28:50 PM (loltot - 14481005)

OH PLEASE DO!

you know, next to Emma, that little Christina is my favorite!

Do you think he has some "better" pics of her?

i am fine with whatever you want to show me....i only wish one day i could be there in person

not many

17-08-1999 2:12:56 PM (loltot - 14481005)

I just worry that you are too trustful of people.

I would hate, for your sake, for you to get busted  
(and i fear that if you got busted, your pc would show correspondence that would lead to me)

17-08-1999 2:13:36 PM (loltot - 14481005)

I delate everthing, even icq historys

17-08-1999 2:13:52 PM (loltot - 14481005)

you are the only person i have ever trusted like this

true

17-08-1999 2:15:35 PM (loltot - 14481005)

good, that is a start. but windows keeps track of what you do in ways you don't even know about.

check out this url for some tips: <http://www.zdnet.com/zdvt/screensavers/answerstips/story/0,3656,2306498,00.html>

17-08-1999 2:16:23 PM (loltot - 14481005)

and in general, distrust everyone.

I am not trying to keep Emma all to myself, I just worry because you are much less paranoid than you should be.

17-08-1999 2:16:49 PM (loltot - 14481005)

do you use "magic folders" to hide your pics?

17-08-1999 2:17:10 PM (loltot - 14481005)

all on zip

17-08-1999 2:18:37 PM (loltot - 14481005)

yeah, but you should still use magic folders, it makes the folder completely invisible, and encrypted...no one even knows it is there, and if they were able to find it (like the police), all the contents would be encrypted.

Magic Folders is a GREAT program, and best of all, its free.

17-08-1999 2:19:00 PM (loltot - 14481005)

wow i have to get it

17-08-1999 2:19:27 PM (loltot - 14481005)

here is the url:

<http://www.pc-magic.com/>

make sure you get the "encrypted magic folders"

17-08-1999 2:19:53 PM (loltot - 14481005)

im there:)

17-08-1999 2:20:10 PM (loltot - 14481005)

← 17-08-1999 2:28:57 PM (loltot - 14481005)

you have to drag the pics out of the magic folders to send them, and then drag them back in when you are done

yes, that is always problematic at first

but its a picture weekend:)

← 20-08-1999 9:50:04 AM (loltot - 14481005)

BTW, I meant to tell you before, if you do switch from AOL, you may want to go with Mindspring for one simple reason...as recently as 3 months ago their news group server carried ABPEP-T (I'm not sure if it still does, because it no longer allows non-member access to the news server)

← 20-08-1999 9:50:53 AM (loltot - 14481005)

Good, I look forward to adding to my collection. Will you be using the digital or regular camera?

→ 20-08-1999 9:51:02 AM (loltot - 14481005)

you know one of the things i was thinking was you should give me a call sometime, I think that trust is there now,  
What is that group?  
I just ordered earthlink software  
who do you use

→ 20-08-1999 9:51:16 AM (loltot - 14481005)

digital, and regular

→ 20-08-1999 9:51:57 AM (loltot - 14481005)

I am also thinking about getting a couple of professionals done, you know the Olin Mills type

→ 20-08-1999 9:52:50 AM (loltot - 14481005)

another thing we can try is the Rockettalk voice mail, it works really well and is very clear

← 20-08-1999 9:53:31 AM (loltot - 14481005)

I use a local ISP (I try to support the local economy whenever possible...if the quality is equal)

well, I know how you want to see the "harder" pics....and as you know, I steadfastly avoid them, but there is a newsgroup called Alt Binaries Pictures Erotica Pre-Teen, and very few newsservers carry it (for obvious reasons); but the mindspring one

→ 20-08-1999 9:54:00 AM (loltot - 14481005)

that sounds like something to see

← 20-08-1999 9:54:19 AM (loltot - 14481005)

yes, I have been looking into the Rockettalk service for one of my clients

→ 20-08-1999 9:54:34 AM (loltot - 14481005)

it is great and free

43

← 20-08-1999 9:54:40 AM (loltot - 14481005)

just remember what I said.....BE CAREFUL!

→ 20-08-1999 9:55:07 AM (loltot - 14481005)

very true

← 20-08-1999 9:55:16 AM (loltot - 14481005)

for now I would prefer to keep chatting....give me time, I am slowly coming around

→ 20-08-1999 9:55:18 AM (loltot - 14481005)

I am getting more so

→ 20-08-1999 9:55:28 AM (loltot - 14481005)

thats fine

→ 20-08-1999 9:55:59 AM (loltot - 14481005)

I did find a couple pics yesterday , you may have them but would u like to see

← 20-08-1999 9:56:29 AM (loltot - 14481005)

actually there is one other guy that I trust pretty much on-line....they guy I was talking too the day you "re-emerged" on ICQ.

He and I have discussed actually meeting one day next summer....maybe we could make it a group meeting?

← 20-08-1999 9:56:40 AM (loltot - 14481005)

sure

→ 20-08-1999 9:57:08 AM (loltot - 14481005)

ok

← 20-08-1999 9:58:08 AM (loltot - 14481005)

I live in Texas, he lives in Alabama, and you live in Floriday....so we are all pretty close.

There is a waterpark outside of San Antonio called Schlitterbahn....it is fed from the river, so the water is always really cold....it's a really neat place. We have discussed meeting there and watching all the little cuties running around.

→ 20-08-1999 9:58:13 AM (loltot - 14481005)

→ 20-08-1999 10:04:18 AM (loltot - 14481005)

well, lets see how we feel by next summer....and just think, she will have just turned 6 (yummy!)

← 20-08-1999 10:06:48 AM (loltot - 14481005)

I've got a few more for you in a minute

← 20-08-1999 10:08:18 AM (loltot - 14481005)

I think the price has come way down....I don't think they charge a sitting fee anymore, and you can buy as many or as few pictures as you want (look in the paper, or coupons you get int the mail, or even check their web-site, I'm sure they run specials) I would love to see her with some lipstick on!

23-09-1999 10:11:48 AM (loltot - 14481005)

I should be working, but instead I am going thru the NG's looking for something to give back to you.....after yesterday I feel so inadequate....there is no way i could give you anything that comes close to what you gave me yesterday

23-09-1999 10:13:00 AM (loltot - 14481005)

not necessary

23-09-1999 10:13:51 AM (loltot - 14481005)

that last file you sent was amazing (I don't have to tell you that). I wonder if he has some like that of Christina?

23-09-1999 10:18:35 AM (loltot - 14481005)

I am curious if he sends you more and "better" pics of Joy because he knows you like her more, or because he takes more pics of her. If it is the latter, it would support my idea that she is his stepdaughter, and not his real daughter....maybe he feels less guilty about doing things with a step-daughter.....and I wonder just what he really does do with her(them)

23-09-1999 10:20:27 AM (loltot - 14481005)

those pics of Joy were sooooo awesome, it was the first time in a long time that I have JO'd just to pics.....I usually have a pic up and a story from Mr D at the same time....but that one of Joy spread eagle on the phone was all I needed....GOD I shot the biggest load!

wish I had

ok,

she recommends that you try what I did:

uninstall netmeeting (through START, SETTINGS, CONTROL PANEL, ADD REMOVE PROGRAMS)

and then also remove the netmeeting folder itself from your C drive.

then d/i and reinstall netmeeting.

I know you prob can't do all this now, but whenever you do get a break, try that, and then if we still have problems, I am to call her back

and???

← 14-10-1999 12:44:46 PM (loltot - 14481005)

it's unseasonably hot here right now, so the mosquitos are out in full force. I had some "Off" spray, and I asked her if she wanted some. I bent right down in front of her, my eyes were right even with her little crotch, but her t-shirt was in the way. I told her "lift up your shirt so I can spray your legs"....God I was turned on!

← 14-10-1999 12:45:23 PM (loltot - 14481005)

then her mom came outside, so I casually left ..she is sooo cute!

← 14-10-1999 12:46:23 PM (loltot - 14481005)

understood

← 14-10-1999 12:47:26 PM (loltot - 14481005)

that's really my attitude about this whole obsession....I don't think I would ever actually "do anything", I just love to look, and of course JO.

Now if I could combine the 2...actually get to look while I JO that I would definitely do!

← 07-01-2000 11:01:08 AM (loltot - 14481005)

no another paul

→ 07-01-2000 11:02:12 AM (loltot - 14481005)

have you seen the website of menolly?

no...but I'm sure I would like to if you are mentioning it

<http://members.xoom.com/PaulsArt/index.htm>

07-01-2000 11:03:35 AM (loltot - 14481005)

you should go to Amanda's page, and sign her guestbook....maybe her dad will respond....put something in the message about wanting to talk to him....I would love to see Amanda, and more importantly, her little sister in "better" pics.

Too bad Lloyd hasn't sent you anything new lately....I miss Christina and Joy (now I can't even see them on their web site)

← 03-03-2000 11:31:36 AM (loltot - 14481005)

although I did read one of the hotter stories I have read in a while yesterday....I will send it to you if you like. It is about some kids playing "spin the bottle" with a guy our age.
